SUBJECT: APPLICATION FOR ICT INTERN POSITION

Dear Hiring Manager,

I am writing to express my enthusiasm for the ICT Intern position at The Kenya Institute of Management, as advertised. With hands-on experience as an IT Support Assistant at Imperial Accountants and recently completing an ICT internship at the Ministry of Education, I am eager to contribute my skills and dedication to your esteemed organization.

During my tenure at Imperial Accountants, I honed my skills in troubleshooting, network management, and user support, ensuring smooth operations of the company's IT infrastructure. My responsibilities included maintaining hardware and software, resolving technical issues, and providing timely support to staff, which significantly enhanced my problem-solving and customer service skills.

At the Ministry of Education, my internship provided a comprehensive experience in ICT management and data analysis. I assisted in managing databases, configuring network systems, supporting cybersecurity measures, and conducting data analysis using tools such as Excel and Google Forms. This role not only broadened my technical knowledge but also emphasized the importance of data integrity and system security in a large-scale governmental setting. Additionally, I am actively working on gaining experience in data manipulation libraries to further enhance my analytical capabilities.

The Kenya Institute of Management's commitment to excellence in management and technology aligns with my career aspirations. I am particularly impressed by your innovative approach to integrating ICT into management practices. I am eager to bring my background, enthusiasm, and strong work ethic to your team, contributing effectively to your ICT projects and gaining valuable experience in a dynamic environment.

Thank you for considering my application. I am excited about the possibility of discussing how my background, skills, and passion align with the goals of The Kenya Institute of Management. Please find my resume attached for your review. I am available at your earliest convenience for an interview.

Warm regards,

Dennis Tanui.
